Everyone here at Serendipity would like to welcome all new and returning families to our school. We have put together some helpful tips for you and your child to help ease your transition from home to school.

1. Always start your mornings with a smile and a "Good morning"!
2. Plan ahead – rushing only gets you upset
3. Talk about school and your work on your way here in a positive manner, this will help when **YOU** with your good byes
4. **The law requires** you to **always** sign your child in and out daily
5. **All** classes will start at 9:00 a.m.
Morning group time is a **VERY** important part of your child's morning. **Please be on time!**
6. If your child arrives **before** 8:00 they may bring a breakfast to eat inside (NO candy, chocolate or unhealthy foods)
7. Food **WILL NOT** be allowed **outside** in the play yard from 8:00-9:00

If you need to speak to the teacher and she is not available **PLEASE** leave her a note in the " **Parent/Teacher Communication Book**" The teacher will read it as soon as she can.
